JUDGE LEWIS COLLINS, of Maysville, Ky., died at the city of Lexing ton last Sunday, after a brief illness He was for over thirty years editor of the Washington (Ky.) and Maysville Eagle, and was the author of Collins' History of Kentucky.

THE Nashville Union and America says, that of the members composite the Convention five are natives of Vir ginia, five of North Carolina, three o Kentucky and two of Maryland. All the others were born and raised in the others were born and raised in depends entirely on the length of the the State, and not one of the body was hermometer. These Indians are, born north of the Ohio river.

WE are glad to learn from the Nashville papers that the Swiss colony in Ki-Whoo, who very foolishly sup-Grandy county is progressing finely. About one hundred families have permanently located. The location, survey and plan of the town of Berne, is subject, was well given by the lectunow completed, and a public sale of re town lots took place on the 2d inst.

THE Democrats of DeKalb county ons: HENRY Vick for Revenue Collector, T. C. Can big canon, three hundred miles from any white settlement, peach orchards were found in the desert about the wells, grown from seed brought from Mexico two hundred years ago. The statisfactory, and that the ticket will be party when they alreaded that the some accordance in the settlement of the carries of the var was dragged for her body, and a runaway couple of suspicious manners was pursued to a Genoese were found in the desert about the wells, grown from seed brought from Mexico two hundred years ago. The statisfactory, and that the ticket will be party when they alreaded that the series of the roody, and and a runaway couple of suspicious manners was pursued to a Genoese hotel; but all searches proved vain until within a few weeks, when the husband learned that the lost one was satisfactory, and that the ticket will

THE bill to abolish the franking

is now before the Senate. The estimate of Secretary Creswell is that this measure will reduce the expenses of the Government five millions of dollars, so greatly has the franking privilege been abused. Hereafter, every species of matter which passes through the mails must be paid for.

Not an ounce or grain can any more pass free. Members of Congress will sary." not, hereafter, be so able to disturb the peace of their constituents by inflicting exchange list; and so must make up opinious here from all sorts of people. them has expressed any desire to refor it by making tewer exchanges and sufficiently distributed. The court half. saving paper. Subscribers in the sufficiently diguined. The court jour-devil to the extent of conventual secountry, who have been accustomed of his attendance at the reception of to receive their papers free, will here. the Presidentess yesterday. He was after be required to pay postage, which we hope will make them value their paper all the more. The more a thing costs, the more it is worth, you Hon. Mrs. Marshal Sharpe, Right Hon. Mrs. Senator Schurz, Mrs. Dick and Mrs. Gen. Logan. The President from the Post Office Department should go far to make it self-sustaining. Let the postal telegraph be added and made a part of the system, and we shall look for a great saving to the we shall look for a great saving to the same in such that the first time existed British subjects have escaped from Australia in British recognition, and the Prince, escorting within the we shall look for a great saving to the we shall look for a great saving to the people, and greatly augmented facilities for the diffusion of intelligence, without the improvement becoming gentlemen of the suite in company

Our telegraphic columns have here and the Prince expressed his gratificatofore contained a statement of the lon at the privilege afforded to inpassage of the law to suppress duige his pet basic. Miss Nellie ob-tumed a beautiful cametia, which she passage of the law to suppress
"masked marauders." Below we give the full text as the bill passed and has become a law:

AN ACT TO PRESERVE THE PUBLIC ANALYSIS AND ACT TO PRESERVE THE PU

PEACE.

SECTION 1. Be if enacted by the General Assembly of the State of Tennessee, Enacted State of Tennessee, En That it any person or persons, masked or in disguise, shall prowl, or travel, its "aumiration" symbolically. But or ride, or walk through the country or towns of this State, to the disturbance of the peace or the slarming of the citizens of any portion of this State, on conviction thereof, shall be fined not less than one hundred dollars, nor more than five hundred dollars, and provisoned in the country of the control of this state, or conviction thereof, shall be fined not less than one hundred dollars, nor more than five hundred dollars, and provisoned in the country of the c lars, and imprisoned in the county jail of the county wherein convicted, at the discretion of the jury trying the case.

Sec. 2. That if any person or perso

Sec. 2. That if any person or persons disguised or in mask, by day or by night, shall enter upon the premises of another, or demand entrance or admission into the house or inclosure of any citizen of this state, it shall be considered prima facie evidence that his or the atention is to commit a felony, a ch person or persons so offending shall, upon conviction, he punished by impressament in the punitentiary not more than ten years, nor less than five years.

Sec. 2. That if any person or persons so prowing, traveling, riding or

sons so prowing, traveling, riding or waking through the towns or country of this State, masked or in disguise, shall or may assault another with a deadly weapon, he or they shall be deemed guilty of an assault with intent to commit murder in the first degree and on conviction thereof shall suffer death by hanging: Prosided, The jury trying the cause may substitute imprisonment in the penished imprisonment in the penished tentiary for a period of not less than tentiary for a period of not less than the years nor more than twenty-one tentiary for more than twenty-one tentiary for a period of not less than the penished in the peni

Sec. 4. That it shall be the duty of Sec. 4. That it shall be the duty of the several Judges of the Circuit and Criminal Courts of this State to give this act in charge to the grand juries at each term of said court.

A Young Men's Christian Association out West refused an application for admission to its gymnasium because the applicant was a Universal-

suspect a violation of any of the pro-visions of this set.

Articles every time by the Thirty-nine

county in this State, any person who may be guilty of the violation of the second or third section of this set.

Sec. 7. That this act shall take effect from and after its passage.

In Titusville they have a chimney. Sweep so small that they put him in the meter and let him go up the gaspiles when they want cleaning.

The most part to every instant and so univox. Orders respect the most part to every instant and orders respect to the most part to every instant and the most part to every instant and so univox.

PROF. J. S. NEWBURY, before the interesting lecture, Saturday, on the From the N. Y. Journal of Commerce. subject of "the Colorado Plateau; its Canons and Rulned Cities," illustrat- Internal Revenue, or some other agening by maps and sketches. He also ey, has already brought about in the

brief synopsis of the lecture:

was sixteen by thirteen in dimen-

sions, steamed seven knots an hour at

build that much ingenuity was exer-

cised in her construction to render her

aufit for service. Nothing was known of the river by the officers at the from-

er post of Fort Yuma, and the whole egion round about was a terra incog-

presented a painting in oil of a part which it appears to be his design to of the canon on the Colorado, where the contained a section (119) deep and swiftly running stream rise which opened as follows: SECTION 119. And be it further ento the enormous perpendicular hight acted, That the duties on incomes of 3000 feet. The lecturer left Fort Yuma with Lieut, WHIPPLE and the first day of May, and be due and pay-United States surveying party, early able on or before the thirtieth day of n January, 1858, on his voyage of dis- June in each year, until and including covery up the Colorado. The Herald ty, and no longer. correspondent gives the following

The Income Tax Law.

If this did not mean that the last tax under this law was to be levied "The steamer provided for the party on May 1st, 1870, and to be due and payable on or before June 30, 1870, then this idea could not be expressed o my friends, and hope they will contained out all after the the enacting clause and inserting, in lieu thereof, the following: "That the taxes on incomes herein imposed shall be levied on the 1st day of March, and be due and revealed on the 1st day of March, and be due out to be a street, the following that the same and the street of t and payable on or before the 30th day April in each year, until and including the year eighteen hundred and sevvious section (116) which enacted the income tax was afterward to close with these words: "And the tax herein provided for

ifa to the people in the settlements.
here hundred miles above the fort he scenery was exceedingly pictur-sque. Mountains of volcanic origin and in the light of the sun showed all enty, and no longer;" and the the colors of the rainbow; the giant actus stood out in reilef against the ky, from the level, arid surface surand neither fear nor respect for the whites; were exceedingly handsome, very tall and symmetrical and the nest men of their race. They were ery courageous and were armed with bs and arrows. Their mode of hting is to fire their arrows and nen charge their foes, and engage hem hand to hand. They live in a state of nature and are vegetarians. There is little animal life in this valey, but the natives cultivate the soil longer than the plain limit of the present act. Mr. Shenck, who reported the resolution, declared that he did it at the request of the Treascharge of the cotton business of their New in a sort of way, and raise wheat and orn in sufficient quantities with little rouble. The lecturer mentioned a urious fact concerning these Indians. ury Department, and to relieve the Orleans house. in their pastimes or outdoor sports it s the old men who 'gambol on the green, and the youngsters who look on and applaud. The climate is exeedingly satisfactory. In winter the eter ranges from eighty to December 31 next preceding, We Orleans, Louisiana have no objection to a plain issue on nowever, more constant than their limate, and keep remarkably cool under provocation. An instance of cative imperturbability in the case of tence adopted for such a measure is

got a prod of a bayonet in the small of the back to culighten him on the American Converts to Romanism.

to this in our editorial columns.

"The Professor gave a detailed desthe manner of living the following: "We have just had the among the Indians, and said that no denouement of what did promise to be THE Democrats of DeKalb county gallant or chivatrons traits were to be putte a little romance. Those Ameribeld a delegated convention at Liber-ball discovered in their character. The cans who passed last winter at Nice ty, on the 22d of January, and made canons are one thousand two hundred may remember the excitement caused to three thousand feet deep, and very by the mysterious disappearance of a and the navigation through | Mrs. Hill, who was supposed to have BLACKBURN for Sheriff, P. G. Mao- them is exceedingly difficult and drowned herself or to have eloped. NESS for County Court Clerk, Et al dangerous. At the entrance to the The Var was dragged for her body, the party when they abandoned the So he came on, had an interview with lonn american. steamer and crossed the mountains to the secretary of State, and demanded where the river made a curve to the her surrender. Antonelli said, *Cernorthward were somewhat civilized, tainly, if she chooses to go with you; privilege has passed the House, and They had cisterns below the town- and gave him an order to that effect. Not an ounce or grain can any more another form a full report is not necess could learn was the manner of her flight. She had suffered some family affliction, got religious, hired a fishing-boat and coasted down to Civita Vec-Prince Arthur and Nellie Grant. chia. At Rome she was cordially reon them the penderous patent office reports, and the people will be more free from corrupting speeches, for which they will not pay the postage.

Journalis's will no longer have a free exchange lists and so the tale has come to a prosaic ending. Two New York hadies, Mrs. Hicks and Mrs. Ward Burnett, imitated Mrs. Hill's example last week, at least so far as 25th lost, says:

Prince Arthur is winning golden opinious here from all sorts of propin nounce the world, the flesh and the

Escape of British Convicts.

A dispatch from San Francisco yesterday announced the arrival there of fifteen political prisoners, who had escaped from the British penal colonies in Australia. They came in an an interest of the control of the English merchant ship. This is not his interest to the first time exiled British subjects last twenty years. Thomas Francis Meagher, and other Irish revolution-ists of less note, have found their way from the penal colonies to this counfrom the penal colonies to this country in the same way; and it has sometimes been suspected that the British by the new Firm. JNO. S. DELAROOKE. flowers and plants were the object of admiration by all the royal visitors, Government is inclined to promote such escapes of some of its "Botany Bay" subjects; that, in fact, the Government agents at the penal settle-
